To Whom It May Concern:

Please accept this letter of support on behalf of Laura Schrock, a fourth-grade teacher in the Murrieta Valley Unified School District. I have worked with Laura for the last four years, while I have been in the role of Executive Director of Elementary Education. She is a valued teacher at her elementary school and within our district, and I am happy to support her in her current job search.

While I come into contact with many teachers in my position, Laura is an example of someone who stands out due to her standing within her school, as well as her leadership on a district level. At Antelope Hills Elementary School, Laura is well-respected and much of a "pillar" on her campus. She is noted as a teacher who puts in 110%, and she has built an outstanding reputation as a positive and impactful teacher amongst colleagues, parents, and students.

On a district level, Laura plays a critical role as a Technology Leader on her campus. This position entails meeting regularly with the district technology team to explore trends and needs in the area of technology and to bring support and ideas back to her site. Laura is my go-to person in terms of technology at Antelope Hills. I have called on her many times to support district initiatives with teachers who needed guidance or assistance with technology, and she has always come through for me, with an eagerness to help.

Laura is a team player, who demonstrates strong skills in collaboration, innovation, and initiative. She is well-known in our district for the strong impact she has in the classroom, on her campus, and with her students. She will be missed in Murrieta, but we wish her well as she pursues a position closer to home.

I hope you will take a close look at this talented educator, as she will be an asset to both your school and district! Please let me know if you have any questions!

Sincerely,

Faythe Mutchnick-Jayx  
Executive Director, Elementary Education
