To Whom It May Concern,

It with great pleasure that I write this letter of recommendation for Laura Schrock. Laura is currently a fourth-grade teacher at Antelope Hills Elementary School. She is also the grade level chair, and Instructional Technology Leader.

I have had the pleasure to see Laura in action. Laura works well with all students. She utilizes different strategies to be an effective teacher for all students. Laura understands the curriculum, and how to implement technology effectively for students.

Laura is kind, warm and genuinely cares about the students as well as staff members. Laura is flexible and always willing to help. Laura She is organized and pays attention to detail. Her communication with parents and adults is appropriate and taken care of in a timely manner.

Laura also helps run our Student Technology Leadership club. Each week the students write scripts and produce a weekly newscast. The weekly newscast consists of the lunches for the week, upcoming events for the week and spotlights a staff member. Students and staff members look forward to watching the newscast Monday mornings!

It is my honor to write this recommendation for Laura Schrock. She is an amazing teacher and will be an asset to your school.

Sincerely,

Melinda Loera
